

How to View a List of Your Personal Permits

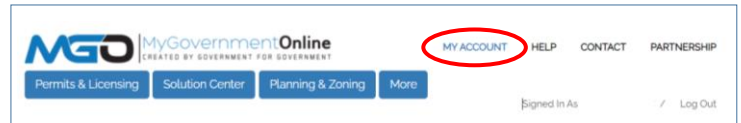

1. Go to www.MyGovernmentOnline.com

Login with your user account by clicking the Login link located at the top right area of the website.

2. Enter your FULL e-mail address and the password for your account in the login window that appears.

3. Click on the “My Account” button in the top right section of the webpage. This will take you to your My Account dashboard.

4. **Scroll** down the page until you see the section called “My Permits” as shown below.

This section contains all of the permits that have been added to your account. From this section you are able to view the project details by clicking “**View Permit**”. This is where you can view plan review documents, schedule inspections, view inspection reports, and upload documents.
